

A Single Application Baniabes Every Hair

(The Modern Beauty)
Here is how any woman can easily and quickly remove objectionable hairy growths without possible injury to the skin. Make a paste with some powdered delatone and water, apply to hairy surface and after 1 or 2 minutes rub off, wash the skin and the hairs are gone. This is a painless, inexpensive method and, excepting where the growth is unusually thick, a single application is enough. You should, however, be careful to get genuine delatone.

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

the ground of intolerable cruelty. The court also heard motions pertaining to various cases that are listed for trial during the spring term of court. The session here Monday was for that day only and adjournment was taken without date. The flu, the grip or whatever it may be—the opinion of the city's physicians differing—is laying low large numbers of Putnam's citizens. While many of the patients become very ill, the disease from which they are suffering has in no case proved fatal and recoveries are fairly rapid. So many are becoming ill that certain places of business were closed on the verge of closing Monday. In one instance a business enterprise, employing fourteen had to close because ten were ill. The fact that the grip, or whatever it may be, is prevalent here is no cause for alarm. Three to four days of confinement to the house seems to be the heaviest penalty that the victims pay, though those who have been

ill are unanimous in declaring that what they have been through is no holiday experience. Though many are ill none have died and the percentage of pneumonia cases is very small. William Herrinden, of Woodstock, was brought before Justice Charles M. Perrin of his home town of Woodstock and fined \$10 and costs for bringing two horses into Connecticut without first procuring the necessary permits, as is required by law. It was said Monday that Mr. Herrinden was not familiar with the law requiring him to obtain permits. Miss Lucy Farrows, one of the teachers at the Smith Street school, was ill at her home here Monday. Miss Ella Farrows, a sister of Miss Lucy, and a student at the Bay Path Institute in Springfield, was reported last week as ill at a hospital in that city. Vaudeville acts that pleased large audiences were shown at the Bradley theatre Monday afternoon and evening. The case of Fazil Ali, at North Grosvenordale, establishes a precedent in this part of Windham county for prosecution, as a violation of the liquor laws, of the improper handling of Jamaica ginger, and has aroused very considerable interest here. Putnam's streets ran with water on Monday afternoon, when the first real thawing weather in many days came to help dispose of the great quantities of snow and ice piled up in this section. Charles T. Thayer, who has been ill at his home on Grove street the past few days, was reported Monday as recovering. Samuel Smith is ill at his home here. Mr. Smith was taken ill Saturday. Miss Celina Burgeault, formerly Lesvesque, and William T. Donovan, both of this city, were married Saturday evening by Judge M. H. Geissler, as justice of the peace. Mr. Donovan is employed here as a baker.

Are You Losing "Pep?"

Do you feel tired all the time? Does your back ache? Do you feel you are not so spry as you use to be? Middle-aged men and women often blame oncoming old age for loss of ambition and energy, when it is overworked or disordered kidneys that cause them to feel old before their time. Foley Kidney Pills tone up and invigorate the kidneys, banish backache, rid the blood of poisons. Rev. W. P. M. Seynolds, Macon, Ga., writes: "I am ready any time to swear for Foley Kidney Pills."
